

We gather together with the intention of creating a vibrant, healthy, liberal religious community. To this end we make the following promises to each other:

1. To come with open minds and hearts so that we can welcome new ideas, new people and new possibilities.
2. To listen carefully to each other, to speak openly and respectfully, and to assume good intentions, especially in times of disagreement.
3. To participate actively in the life of the Society by being present, serving / volunteering and providing financial support.

We recognize that there will be times when we will fall short of these ideals. We will be accountable to each other and forgiving of each other.
