

FUUSB Care Network Ministry Dementia Care Resources

The goal of our Dementia Care ministry is to increase our awareness of the realities of dementia, to connect members with resources in the community for those dealing with dementia, and to provide support within our caring community for those with dementia and their loved ones. Contact us at (802) 862-5630 or carenetwork@uusociety.org for assistance or to assist.

“Those of us with Alzheimer’s disease...can never be who we were and who many people still want us to be; we are who we are. We need others to become more informed, more understanding, and make more of an effort to understand us.” Richard Taylor, Alzheimer’s from the Inside Out

And please don't stay away
Because of the way my mind acts.
I can still feel you

And a heart memory is maybe
