Generosity Practice

Offerings this month will be shared with the Intervale Center, which implements innovative, replicable and place-based solutions to address some of agriculture’s most pressing problems. They are transforming the food system from one that is degrading, anonymous and industrial, to one that is restorative, familiar and human-scale, and are working to foster a local food economy that is good for people and the planet. Offering Dedication

“With gratitude, we dedicate these gifts in the service of our mission to inspire spiritual growth, care for each other and our community, seek truth, and act for justice.”

Chalice Extinguishing

“We extinguish this flame, but not the light of truth, the warmth of community, or the fire of commitment. These we carry in our hearts and share with the world until we are together again.”

Apagamos esta llama, pero no la luz de la verdad, el calor de la comunidad ni el fuego del compromiso. Estos los llevamos en nuestros corazones y los compartimos con el mundo hasta que estemos juntos nuevamente.
