Generosity Practice

Offerings this month will be shared with the Richard Kemp Center, to help fund their annual Sankofa trip that takes youth of color and their families from the Burlington area on a transformative journey to The National Museum of African American History in Culture in Washington, DC. This experience helps youth to connect with their heritage while providing a foundation of pride and community.

Chalice Extinguishing

“We extinguish this flame, but not the light of truth, the warmth of community, or the fire of commitment. These we carry in our hearts and share with the world until we are together again.”

Apagamos esta llama, pero no la luz de la verdad, el calor de la comunidad ni el fuego del compromiso. Estos los llevamos en nuestros corazones y los compartimos con el mundo hasta que estemos juntos nuevamente.

Benediction
